A brochure with the raffle details will be available at parent nights. Raffle books will be distributed at Parent Meetings.

CONCESSION WORKERS AND BUY-OUT OPTION:

All parents must work in the concession stand twice per season for two (2) hours. Parental support of this program enables the league to raise funds without having to pay for workers to run the concession stand. The “Buy Out” option will be available again this season for those parents that are unable to fulfill their commitment to work in the stand. **At the Parent Meeting, parents may “buy-out” their obligation to work concessions for \$30 per child.** This will allow the Concessions director to hire help to fill the void when parents are not able to help. Any questions please call Karla McGriff @ 863-0937.
